

ACKNOWLEDGMENTS

This book of LOVE is dedicated to my dear Family in Sweden, Israel and USA. To my amazingly supportive and strong mother, Prof. G. Stendig-Lindberg. To the blessed memory of my dear sister, Miriam Felicia Lindberg and to my late, eccentric father, Per Ola Lindberg. It is also dedicated to all my wonderful friends, my extended family, my talented teachers, mystics, healers, Kabbalists, all the beautiful *Tulipers*, spiritual sisters and brothers who are fellow light beings on this adventurous path of life.

Special Thanks

... for the Sanctuary:

Thanks to my dear landlady and wonderful artist Marge Rector and her husband Floyd for allowing us to operate the Tulip Sanctuary space in Marin County, California, where most of the writing for this book occurred. Also in appreciation for their charming dogs, Whisky and Fudge, who enthusiastically welcomed me home.

... for the Editing:

Many thanks for the graceful help in the editing and formation of the book to Leslie Keenan, Rabbi Seinfeld, Michael Kagan, Shalom-Shlomi Zigdon, Pia Jacobsson, Daven Parsons, Estelle Levi Komet, Judy Montagu and Katherine Dieter.

... for the Teaching:

Ross Drago for mentoring me to develop the 5th Dimensional Artwork style. Johnny Moses for teaching me the Native American tradition. Mother Marie from Belgium, for teaching me the Guided Peace meditations. Danaan O' Lahey for the Trauma Work Teachings. Rabbi Yuval Cohen Asherov for being an amazing Kabbalah Teacher. Rafi Rahav, Chezi Noam and Yochpat for your loving guidance and humor.

Last but not least, a warmhearted thanks to the dedication of the Delicate Self in us all and all the teachings from my dear Tulips.
